
WHY MYSTIC RIVER?

Fitness Membership Information

As a social member in Mystic River, you will enjoy a private facility in a prime waterfront location nestled deep within the mountains of Boulder, CO. We offer upscale-casual dining and beverage service for members and their guests. You will also have the opportunity to host private events at the club at discounted rates, along with social events hosted by us all year-round.

We provide a friendly, fun atmosphere and opportunities to meet people, expand business networks and volunteer.

Two amazing private dining suites combine to create the Grand Banquet room at Mystic River Club. As a nod to our mountain heritage, the small banquet room is called the Climib, and the large banquet, the Mountaintop. Choose one of any of the three sizes, each one having its own unique style. Catering is available from 30 to 150 guests and is offered at a discount to members.
